

2002 COE INTERNATIONAL SYMPOSIUM IN INUYAMA

“Research on long-lived animals: The past, present and future of longitudinal field studies”

15 Jan 2002 (Tuesday)

1200-	Registration					
1600-1615	Opening remarks S. Uehara Welcome Address: Mayor Ishida of Inuyama					
1615-1715	Plenary Lecture	1615	1715	60 m	J.A.R.A.M. van Hooff	Alternative strategic trajectories in primates: Views from a long-term study of bimaturation in the orangutan
1730-2000	Welcome Party	1730	2000	150 m		

16 Jan 2002 (Wednesday)

0900-1210	Socioecology I	0900	0950	50 m	W. P. J. Dittus	Social evolution of toque macaques in Sri Lanka
	Chairpersons: M.A. Huffman & W.P.J. Dittus	0950	1030	40 m	A. Mori	Life history of Japanese macaques living on the Koshima islet
		1030	1050	20 m	<i>Tea break</i>	
		1050	1140	50 m	M.G. L. Mills	Long term field studies of large carnivores in South Africa
		1140	1210	30 m	<i>General Discussion</i>	
1210-1330	<i>Lunch Break</i>					
1330-1700	Multidisciplinary study	1330	1420	50 m	L. Pintea	Integrating geospatial tools in long-term chimpanzee research and conservation: Lessons from Gombe
	Chairpersons: S. K. Wasser & S. Uehara	1420	1450	30 m	C. Hashimoto & O. Takenaka	DNA analysis of wild bonobos (<i>Pan paniscus</i>) using noninvasive techniques at Wamba, DR Congo
		1450	1510	20 m	<i>Tea break</i>	
		1510	1600	50 m	S. K. Wasser	Noninvasive genetic and endocrine methods for use in long-term monitoring programs of difficult to observe species
		1600	1630	30 m	T. Oka	Wild gibbons' parentage tested by non-invasive DNA sampling and PCR-amplified polymorphic microsatellites
		1630	1700	30 m	<i>General Discussion</i>	
1700-1800	Poster Session & Video	1700	1800	60 m		

17 Jan 2002 (Thursday)

0900-1210	Demography & Population I	0900	0950	50 m	L. A. Isbell & T. P. Young	Extraordinary demography and life history in patas monkeys (<i>Erythrocebus patas</i>)
	Chairpersons: L.A. Isbell & H. Ohsawa	0950	1030	40 m	N. Nakagawa, H. Ohsawa & Y. Muroyama	Population and social dynamics of patas monkeys in Kala Maloue National Park, northern Cameroon
		1030	1050	20 m	<i>Tea break</i>	
		1050	1140	50 m	M. Cords	Long-term studies of blue monkeys in the Kakamega Forest, Kenya
		1140	1210	30 m	<i>General Discussion</i>	

1210-1330 *Lunch Break*

1330-1800	Demography & Population II	1330	1420	50 m	A. E. Pusey	Why do male chimpanzees defend territories?
	Chairpersons: A.E. Pusey & M.A. Huffman	1420	1500	40 m	J-H. Li, H-B. Ying	A long-term field study of the behavioral ecology of Tibetan macaques at Huangshan, China
		1500	1520	20 m	<i>Tea break</i>	
		1520	1600	40 m	C. Saito, H. Sugiura & K. Izawa	Long term research on the Japanese macaques of Kinkazan island- Results and topics
	Chairpersons: A. Jolly & A. Mori	1600	1630	30 m	H. Kurita, Y. Sugiyama & H. Ohsawa	A half century's summary of a provisioned Japanese macaque population at Takasakiyama and its management
		1630	1710	40 m	S. Takatsuki, M. Minami, N. Onishi & T. Ito	Dynamics of a sika deer (<i>Cervus nippon</i>) population and vegetation on an island in northern Japan
		1710	1740	30 m	<i>General Discussion</i>	

18 Jan 2002 (Friday)

0930-1130	Socioecology II	930	1010	40 m	A. Nishimura	Life and sex in wild female woolly monkeys
	Chairpersons: K. B. Strier & Y. Muroyama	1010	1100	50 m	S. Boinski	The risk of predation by raptors for squirrel monkeys: A dynamic perspective afforded by three long-term field studies
		1100	1130	30 m	<i>General Discussion</i>	

1130-1250 *Lunch Break*

1250-1800	Conservation & Management	1250	1340	50 m	K. B. Strier	Balancing research and conservation agendas: Perspectives from two decades with muriquis
	Chairpersons: S. Boinski & K. Watanabe	1340	1430	50 m	D. A. Collins	Baboons, life histories and human influence at Gombe
		1430	1510	40 m	T. Mano	Long term monitoring of brown bears on Hokkaido: From a small site to the whole island
		1510	1530	20 m	<i>Tea break</i>	
		1530	1620	50 m	A. Jolly	Berenty <i>Lemur catta</i> over the long term
	Chairpersons: D.A. Collins & M.A. Huffman	1620	1700	40 m	J. Yamagiwa, A.K. Basabose & J. Kahekwa	Importance of long-term studies on eastern lowland gorillas in the Kahuzi-Biega National Park, Democratic Republic of Congo
		1700	1730	30 m	T. Nishida	The Chimpanzees of Mahale: Current Status of Conservation and Research
		1730	1800	30 m	<i>General Discussion</i>	

1815-2030	Farewell party	1815	2030	135 m
